

**MARK XP:** ☐ ☐ ☐ ☐

**Whenever you...**

- ...Quietly speak into the navigators ear
- ...Give the smallest cue necessary to move the Navigator forward through the problem
- ...Navigate the navigator at the highest level of abstraction they can successfully implement

**Or when you...**

- ...Make an XP action from a previously completed Level 2 playbook

**THE REAR ADMIRAL**

**“At the gates of teeth you will meet terrible dangers. Here is how you will slip by them.”**

**From your darkened corner, you whisper your battle-hardened wisdom, gently advising the captain of this merry band, as they grasp their own chance for glory**

**WHEN YOU MARK YOUR LAST XP BOX...**

Add a new playbook and a REAR ADMIRAL badge to your mob
