

**MARK XP:** ☐ ☐ ☐ ☐

**Whenever you...**

...**Contribute from your expertise**

...**Ignore the driver**, advising only the Navigator

...**Give the smallest cue necessary** to move the Navigator (and rest of the mob) forward through the problem

...**Navigate the navigator at the highest level** of abstraction they can successfully implement

**Or when you...**

...Make an XP action from a previously completed Level 2 playbook

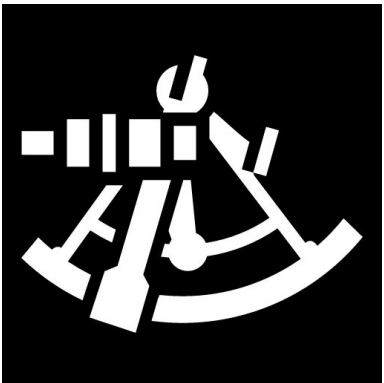

# THE REAR ADMIRAL

**“At the gates of teeth you will meet terrible dangers. Here is how you will slip by them.”**

**You share your battle-hardened wisdom**, helping the adventurers following in your footsteps to get their own chance to grasp for glory

## WHEN YOU MARK YOUR LAST XP BOX...

Add a new playbook and a REAR ADMIRAL badge to your mob
