MARK XP: ☐☐☐☐

Whenever you…

...**Contribute from your expertise**

...**Ignore the driver,** advising only the Navigator

...**Give the least information necessary** to move the Navigator (and rest of the mob) forward through the problem

Or when you…

...Make an XP action from a previously completed Level 2 playbook

THE REAR ADMIRAL

"At the gates of teeth you will meet terrible dangers. Here is how you will slip by them."

You share your battle-hardened wisdom, helping the adventurers following in your footsteps to get their own chance to grasp for glory

WHEN YOU MARK YOUR LAST XP BOX…

Add a new playbook and a REAR ADMIRAL badge to your mob
