# MARK XP: ☐☐☐☐

**Whenever you…**

...**Find** and share relevant information from documentation

...**Find** and share relevant information from a blog

...**Find** and share relevant information from a coding forum

**Or when you…**

...Make an XP action from a previously completed Level 2 playbook

# THE RESEARCHER

**"We are not the first to wonder about This."**

**You track the footsteps of those who have gone before,** wandering the aisles of an infinite digital library.

**WHEN YOU MARK YOUR LAST XP BOX…**
Add a new playbook and a RESEARCHER badge to your mob
